Re: United States v. City of Albion, Michigan, et al., Civil No.
1:97CV1037 (W.D. Mich.) - EPA Document Request.

Dear Mr. Moseley:

Pursuant to your request for information regarding access to, volume of, and copying costs for, the records in U.S. EPA's Region 5 office concerning the Albion-Sheridan Township Landfill Superfund Site, I have been informed by Jan Pfundheller, U.S. EPA's Superfund Records Manager, that the active site file comprises approximately seven to seven and one-half linear feet of documents. The documents are located in U.S. EPA's Superfund Records Center, 77 West Jackson Boulevard, 7th Floor, Chicago, Illinois 60604, telephone (312)353-5821.

Attached is a list of copy services in the Chicago area previously used by parties in obtaining duplication and pickup of records from the Superfund Records Center. Any of these services can arrange for the duplication and transmittal of records for the active site file for the Albion-Sheridan Township Landfill Superfund Site to you.

If there are any questions regarding this letter, or if I can provide any additional information, please do not hesitate to contact me.

Sincerely,

Francis J. Barros
